

2014 EXPLORE LOUISIANA- ABITA SPRINGS TOUR INFO PACKET

Welcome to GNOYO's concert of the Explore Louisiana tour at the Trailhead Plaza in Abita Springs! This project is made possible through a collaboration with the City of Abita Springs in an effort to allow us here at GNOYO to serve surrounding communities through music and explore the beautiful state of Louisiana.

This is going to be a memorable experience for all of us!

Included in this Information Packet is everything you need to know before you go and everything you need to know while you're in Abita, so make sure you have this with you on the trip.

Every effort has been made to make this trip run smoothly, but we may need to make adjustments when we get there. Please remain flexible and keep a positive attitude.
